Out of solid rock I made a river
C Csus C F
To a desert drought I brought the rain

Am G C/E F
Did you doubt for a moment that I felt your pain?

C F/A
Just when you think the story's over
C/G F
You know my love is strong as ever
C F C F
Cuz I'm gonna bleed for this love
Am C/E F
Yes I'm gonna bleed for this love

C Csus C F
In a flooded land I sent a leaf
C Csus C F
From your captor's grip gave you release

Am G C/E F
Did you fear for a moment that I'd leave you there?

C Csus C Csus
And to pay your debt I'll be the ransom
C Csus Am G
Then to bring you life I'll give it all
C/E F
I'll give it all
